

- **2 VOTES - Public Urinal:** Getting marked with an entire bladder full of piss in the middle of a public park. Walk back to the car fully wet and proud.
- Bare & Boundless: Strip completely naked in a public park and get pissed head to toe with a full bladder. Get dressed, still wet and marked to walk back to the car.
- **2 VOTES - The Tree Line Toilet:** Stripped bare and backed up against a tree just off the trail in the forest with its mouth wide open. Be forced to take a full bladder stream directly to the face, swallow any hot piss mouth full.
- **1 VOTE - Marking the Territory:** Stay fully clothed while I shamelessly let go of an entire bladder, wetting myself and the ground around me for everyone to see.
- Natural Exposure: Strip completely naked and completely exposed to the elements and any passers by, emptying my full bladder all over myself and onto the ground.
- The Playground Pedestal: Lay on a picnic bench fully clothed and receive a full bladder marking my entire body. Then climb on top of the table and slowly strip totally naked tossing each article of clothing onto the ground below. Then stand tall - spread out my legs and stretch out my arms like a fountain statue and unleash my own full bladder with the fountain splashing sound echoing for anyone to hear.
- The Gazebo Gutter: Strip totally naked and lay flat on your back on the floor of a public gazebo. Pull my legs to my chest to form a human basin. Have a full bladder fill up the basin as the piss splashing echoes off the roof.
- Commuter's Secret: Sitting at a bus stop, heart racing as someone drenches me with a full bladder between rides. Stay put and drenched until the next ride arrives and leaves.
- The Layover: Stand at an active bus stop, drop my guard and let my full bladder puddle at my feet.
- **2 VOTES - The Retail Surprise:** Feel the rush of wetting myself with a full bladder right in the middle of a store, then walk out with soaked pants and a smile.
